2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

The institute has taken efforts to improve the performance of students by framing significant reforms in Continuous Internal evaluation at the institute level. The reforms are as follows. Remedial measures are taken by conducting Remedial classes to clarify doubts and re explaining the critical topics. Remedial Classes are conducted for the slow learners, absentees and the students who participate in Sports, NSS activities and other activities. This practice helps struggling learners to update their subject knowledge and helps

them to catch up with their peers. The Examination Cell regularly organizes two internal tests, one Pre-final Examination followed by semester examination. Students are encouraged to solve previous years University Exam question papers. The institute regularly conducts workshop, technical talk, seminars and guest lectures. Poor performance due to frequent absenteeism is dealt by sending sms to the parents of such students. Monitoring the improvement in learning of slow learner and encouraging the advanced learners by reviewing their performance in exams. The institution is keen on monitoring the performance of the students and reports to the Parents during Parents meeting .. Whenever necessary, the Subject Lecturers shall recommend the visit of the parent to the college for a discussion about the student. Impact These reforms have resulted in substantial improvement in student s performance through comprehension of difficult topics, improved time management, enhanced writing skills and individualized attention resulting in refining their cognitive, psychomotor and affective domains of learning. This has significantly enhanced the pass percentage and academic excellence of students.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

The institution ensures effective time management and timeliness. It receives the university given timeline and adheres to it. In the beginning of the academic year, academic calendar is published by the University for Respective Course. The college carries out effective planning to stick to academic calendar. This allows the teachers and the students to space out their teaching and learning and regular assessment of the same. The college conducts three internal assessment test to the students two award thirty marks of Internal Assessment. 20 Marks shall be based on the test, the remaining ten marks of the internal assessment shall be based anon Attendance and Skill Development. Internal examinations are conducted as per schedule as outlined in the academic calendars. Following the university calendar, every department creates internal calendars to ensure timely delivery of syllabus. Every teacher follows a strict agenda that is discussed and approved by the head of their respective department. This is followed by deducing a day to day division of topics and chapters. These topics and chapters are chosen keeping the upcoming UG Exams in mind. The timeline created allows for the students to complete the given syllabus in enough time. The students are given plenty of time before the examinations as well to prepare and practice their concepts. In case of any required change, the university communicates the modification to the college and the college enforces the same. The academic calendar is printed in the Hand books.
