Swamy Vivekananda Rural Education Society is a non-profit organisation run by philanthropic individuals of the farming community from villages around Chandapura. This organisation is established in the year 1963 under Societies Registration Act, Govt. of Karnataka. It has been serving the society for more than 55 years in the field of education, upliftment of students belonging to labourers, farmers and other economically backward communities. With the blessings of his holiness Sri Sri Sri Shivakumara Swamiji of the Siddaganga Mutt, the first institution viz., Kannada Medium High School, initiated with a section of about 60 students. Presently, the organisation is spread over 5 acres of land and caters to about 5000 students pursuing kindergarten to under-graduate courses, with institutions like Higher Primary School, English Medium High School, ICSE School, Pre-University College and First Grade College. This is an institution rooted in the tradition and values of our motherland. It aims to empower rural students through a holistic, meaningful, dynamic and disciplined education.

Vision

“To provide a platform to the rural student community to enhance and exhibit their intellectual, physical, spiritual and creative abilities by deriving the benefits of primary, secondary and higher education”.

Moto

Inspiring excellence

Mission

Provide adequate opportunities for the students to pursue their intellectual growth through curricular and extra-curricular activities.

Principal's Desk

Dear Students,

Swamy Vivekananda Rural First Grade College (SVRFGC) was started in the year 2005 with B.Com course and subsequently BBM Course was added during 2009. Presently, we have about 750 students studying in our college.

The Institution has been working towards its Motto "INSPIRING EXCELLENCE" for the past 14 years.

As we step into this new academic year, filled with hope and dreams of scaling new heights, I wish to reiterate the importance of few aspects that the students have to keep in mind. The Parents are suggested to guide the children to achieve their goals in an easy and pleasing manner. The purpose of education is to drawing out the best in children, leading to rational thinking.

The overall development of the mind and body is a sign of a healthy and complete development. The goals of our students would be realised through highly qualified experienced and dedicated teaching faculty coupled with excellent infrastructure. The students are encouraged to take advantage of the opportunities provided by the college and involve themselves in all the extra curricular activities.

Hard work, dedication and perseverance are the most important traits in a person that lead to success. As the future belongs to you, your needs and hence you are required to prepare yourself for an active participation in this competitive world. This participation demands that you become well informed and hence develop yourself like a pioneer and ultimately grow as a responsible citizen of this country.

Choosing where to continue your education is a major decision. If you are ambitious and determined to succeed, I strongly believe and suggest that SVRFGC will be your first choice. As a result of our strong foundation and quality of faculty we are able to focus on the needs of each individual student.

My best wishes to the new students entering SVRFG College.

Mr. Venkatesh Babu T.S
Principal

SVRFGC STAFF

Future Plans

Inspiring Excellence realizes the value in nurturing our children through life in a positive and empowering manner. Helping individuals develop their abilities is not just a process of identifying talented people or providing them with financial support. To turn talent into actual achievements, players must have the opportunity to develop their mental and physical skills supported by those in the development stream.

New campus has been synonymous to impart quality of education in various under-graduate and post-graduate courses. The new campus composed with spacious classrooms, tutorial rooms, seminar halls, conference rooms and well-equipped laboratories add to process of value creation of its institutes.

Proposed New Campus

The organisation is establishing the new campus at Neraluru- Guddahatti village across national highway (NH-7), Attibele Hobli, Anekal Taluk, Bangalore Dist.

The proposed course programs are as below:

Programs	Under Graduate	Post Graduate
Commerce	Bachelor of Commerce	Master of Commerce
Administration	Bachelor of Business Administration	Master of Business Administration
Science	Bachelor of Science	Master of Science
	Bachelor of Computer Application	Master of Computer Application
Arts		Master of Arts in English
