## CAMPUS DRIVE REPORT

College IQAC in association with ANTS Skill Varsity has conducted Campus Drive on **15<sup>th</sup> April 2018** for 6<sup>th</sup> Semester B.Com and BBA students. The Placement Cell is headed by our Principal, Mr. Venkatesh Babu T S and the Coordinator Ambarish R. All the activities of the Cell are led by Mrs. Jyothiprabha, Mrs. Ramya and Prashanth Kumar and the Student Core Committee, which consists of students from different courses in their final year. We aim to invite companies from various fields in order to make opportunities available not just for students of business, science and arts.

The Placement Cell of SVRFGC aims at making available quality placement opportunities for the students of the college. It acts as an interface between the students of the college and various companies that come for recruitment. The placement cell maintains a constant contact with its students through its Blog, Facebook page and also sends the students regular mails notifying them about the companies that would be visiting thereby encouraging them to apply for the recruitment procedure.

For the academic session 2018-19, the cell has been successful in inviting several companies and maintaining a cordial relationship with them. Last year, we had set the target to widen the spectrum of companies that come for campus drives. Each year, there are a large number of companies that come to recruit from the commerce and science streams. However, this year, there were more companies that wished to recruit from all streams, Ecentric HR, INS, HR Urs, Assort HR and Data mall pvt ltd. being a few of the big names that did so.

. Companies offering regular jobs as well as paid and unpaid internships were in bountiful this year. Students have been placed through on-campus and
